

Rinse Away

Liquid Dishmachine Rinse Aid

Rinse Away is a super concentrated, high quality formula that delivers amazing results. Levels out variations in soil loads and water hardness to ensure consistent results in very hard water and heavy soils.

Directions for Use

For machine use only – not for manual hand washing of utensils. This product is designed to be dispensed with equipment installed and/or approved by your Service Representative. Performs well at low concentrations for economical use however, may require a higher concentration for more challenging soil loads or water conditions. The ideal wash temperature for this product is 140°, but water as low as 120° will produce acceptable results, although slower drying times may occur.

Safety Reminder

Consult product label and Safety Data Sheet (SDS) before use. SDS's may be downloaded from www.gatorchemical.com.

Technical Specifications

Color	Blue
Scent	Chemical
Foaming	Low
Solubility in Water	Complete
Density (lb/gal)	8.5
